**For those who
see masses,
not as masses,
but as people —
individual —
beautiful;**

For those who see nature,
the beauty of which no man
can reproduce;

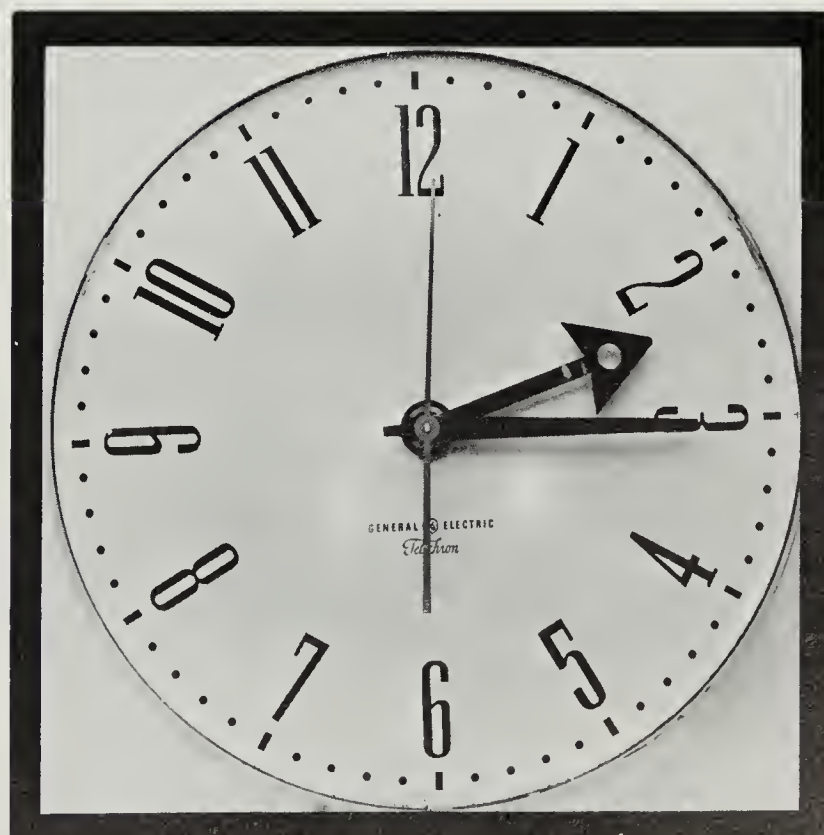

**For those who see relationships
not as a burdon of sharing,
but as a joy for all time;**

A black and white photograph of a round, minimalist clock face. The clock has a white face with black Arabic numerals from 1 to 12. The hands are simple black lines. The brand name 'GENERAL ELECTRIC' and 'Nella Piana' are visible near the center. The clock is mounted on a dark background.

I want to say I love you
I want you to comprehend my love
you might say "I know"
I have only said it with words
words are for the mind only
to know in your heart that I love
I have nothing to give you -
nothing to let it be known
I cry

Yet I love you

RED AND WHITE NIGHT

What do you think of a basketball team that plays against itself and loses? Or a wrestling team that wrestles against itself and gets pinned or loses by decision? This is not an uncommon occurrence on Red and White Night, which took place prior to the opening of the basketball-wrestling season. The main objective of Red and White Night is to introduce the basketball and wrestling teams, along with the rules and scoring procedures. As it turned out, the two basketball teams, the Jrs. vs. the Srs., tied 69 all and no score was kept for the wrestling matches.

CHRISTMAS DANCE

'Twas the 16th of December
And all through the house
Not a creature was stirring
Not even a mouse.

'Cause everyone was in the T.J. cafeteria
grooving to the sounds of Inside Straight. The
highlight of the evening was the crowning of
Paula Dobriansky as Christmas Queen. 'Sure
was better than waiting for good ol' St. Nick!

BAND CONCERT

The Jefferson Band had the honor of performing in a concert at Ford's Theater on February 12, in celebration of Lincoln's birthday. The concert featured "A Lincoln Portrait" by Aaron Copeland. The performance was broadcast over radio WMAL for all to enjoy. The concert was again repeated on February 14 for the student body.

The Band performed at the District Four Music Festival on March 10, at Robinson High School. The Little Concert Band received three "Excellents" and Symphonic Band received three "Superiors." The Band did an outstanding job this past year and received many awards and honors.

THE SPRING DANCE

Once upon a time in the Land of Jefferson lived a group called Civitans. The King of Civitans said, "We must have a Spring dance." A decree was sent throughout the land proclaiming the dance to be on the night of February 24, in the dining hall of Jefferson castle. The need for a queen to reign became evident, so they searched high and low for three beauties to contest for queen. As the day of voting approached, the excitement grew. Soon, Anita O'Quinn was elected as the reigning Queen with Sandy Ray and Nancy Brown as her Maids-of-Honor. The King's Musicians, "Fancy Colours," had the honored position of providing music for the townspeople. People came from far and wide to witness the crowning of Queen Anita and the presentation of the court. Everyone lived happily ever after.

ANITA O'QUINN, QUEEN

The Spring Court: **left to right:** Grace Cooper, Junior rep.; Roxie Nimo, Kathy Lutz, Sophomore reps.; Sandy Ray, Maid-of-Honor; Anita O'Quinn, Queen; Nancy Brown, Maid-of-Honor; Ellen Gamber, Nancy Mullins, Senior reps.; Kerry Lynch, Freshmen rep.; Terrie Biller, Junior rep.

With the excellent coaching of Coach Kelly and Coach Jullien, the Freshman Football team had its best record in the school's history. The freshmen also set a record by scoring the most points in one season. Much spirit was exhibited throughout the season by the players which was shown by winning the first and last games of the season. They had an easy win over Falls Church, 12-6, and ended the season with a big win over Woodson, 18-6. Some of the highlights included a 103 yard touchdown return of an interception and an 85 yard return of a kickoff by Russ Stevens, the scoring of three touchdowns by Walt Sampsell, and the blocking of two opponents' punts by Dave Munnikhuysen. Coach Kelly summed it up by saying, "This is my seventh year of involvement with Jefferson football. Of those seven Freshman teams, this is the finest group of young men I have seen."

Led by outstanding players Jerry Lumpkin, Curt Zargan, and Leo Brooks, the Junior Varisty Football team had its best season in five years. They won their first game with Fairfax, 12-6, and kept the scores close throughout the season. Although this team was relatively small in number, the 24 players displayed great spirit and fight. The spirit was definitely a factor in this year's success. As Coach Rayburn explains, "I believe this spirit, heart, and attitude will be a primary ingredient for our winning season in 1973."

ONE MORE PLAY SPRINTS FELLOWSHIP

Such memorable phrases as these will stand out in the minds of the 1972 Varsity Football players for many years to come. This year's team, faced with the prospect of a tough Northern District schedule and being outmanned at many positions, showed courage and dedication throughout the season, sucking it up when presented with key injuries and bad breaks. Providing the leadership to make it through the grueling months of long practices, late dinners, and sore bodies were tri-captains Mike Smarr, Steve Beers, and Francis Dall. Highlights such as the victory over Robinson, and the near upset victory over Wakefield, made all the hardships and heartache the team went through worthwhile for the coaches, fans, and themselves. Receiving the awards at the annual Fall Sports Banquet were: Charlie Hall, Lineman of the Year; Steve Beers, Back of the Year; Steve Mahan, Sportsmanship; and Francis Dall, Most Valuable Player.

If there is one outstanding feature of the 1972 Girls' Junior Varsity Hockey Team, it has to be their spirit and dedication. After going winless and scoreless for eight straight games, the girls put it all together offensively scoring three goals to defeat Stuart. Led by the experience of captains Ann Anderson and Kay Raynor, this youthful team showed continued improvement throughout the year and was a constant testimonial to the dedicated efforts of their coach, Miss Morrison.

Is girls' hockey more than flying sticks and injured shins? The 1972 Varsity Hockey Team proved this to be true. Led by co-captains Ellen Butcher and Vicki Niemi, fourteen determined girls ended their season with the best win record in four years. The team stayed in the race for the district title, being only half a game away from first place position. The decisive last game with Stuart was well played, but ended in defeat for the Colonials.

Varsity coach, Miss Stacks, commented, "This was the best overall team I have coached with a good distribution of talent throughout the team." A highly experienced defense was an important asset, including outstanding players Vicki Niemi and Sue Walter. With a large number of Juniors and two starting Sophomores returning, the 1973 team looks victory bound.

Returning serves and volleying with determination and skill, the girl's varsity tennis team experienced its most successful season in the history of Jefferson. Led by no. 1 singles player Maryse Jones, the girls captured the district championship with a 9-0 record. Jefferson was represented in the District Tournament by Maryse and the no. 2 player Stacey Nichol. Competing in doubles was the no. 1 team of Jean Gallagher and Tricia Dugan who went on to the Northern District Doubles Championship, and the no. 2 team of Adria Musinski and Lee Ann Sellman. CROSS COUNTRY

Neither rain, nor sleet, nor snow could stop team captain and Most Valuable Player Mark Ingraham and Brian Addison from leading the team to its third consecutive winning season. With only one returning letterman from last year's squad, this was a rebuilding year for the TJ harriers. Highlights of the season included placing sixth in the county meet and tenth in Regionals. With a record of seven wins and five losses, this year's Freshman Basketball Team displayed an exciting style of play. In his first year as Freshman Basketball coach, Coach Thompson produced the best Freshman team in three years. A scoring opportunity is sought by Louis Sigalos.

In keeping with tradition, this year's Junior Varsity Basketball team won another District Championship. After getting off to a slow start, the Junior Varsity won ten of their last twelve games giving them the fourth District Championship in the eight year history of the school. Charles Stroble set several new records including the highest scoring average per game. Other players to who success should be attributed are Pedro Chiari, Mike Charnley, Mike Whitlock, Ron Fuhrmann, Greg Graham, Louis Sigalos, and Bob Teegarden. Coach Hulen called this a most satisfying year in which the team improved a great deal, evident in their strong finish.

**VARSDITY
BASKETBALL**

To describe the 1972-1973 Varsity Basketball season as successful would be a gross understatement. The 19-5 record not only represented the best team in the school's history, but also included such honors as Jefferson Invitational Tournament Champions, Northern District Regular Season Co-champions, and Northern District Tournament Champions. Many individuals were also selected for honors: Dave Marut, All Jefferson Invitational Tournament; Ray Bracy, All Northern District and All Northern District Tournament; Francis Dall, All Jefferson Invitational Tournament, All Northern District Tournament, and All Northern District; Jeff Fuhrmann, All Jefferson Invitational Tournament and Most Valuable Player, All Northern Regional Tournament, All Northern District, All Northern Region, Northern District Player of the Year, and also named to the All Metropolitan Team which is the highest honor ever for a player at Jefferson. The Varsity also broke fourteen team records and twenty-four individual records. But more important than any records that might have been extinguished, the fact that this team, as Coach Wickline stated, "played together and enjoyed playing more than any team I have ever coached." The starting five of Jeff Wheeler, Dave Marut, Ray Bracy, Francis Dall, and Jeff Fuhrman functioned as a closely knit unit where everyone did his assigned job, and received excellent continued support from Chip Hummer, Greg Maag, Mark Murphey, Dana Page, Alan Sheffey, and David Thorkildsen. Team honors went to Jeff Fuhrmann, Most Valuable Player and Outstanding Rebounder; Francis Dall, Sportsmanship Award; and Jeff Wheeler, Outstanding Defensive Player.

The Girls Varsity Basketball team dribbled its way to becoming District Champions for the first time in the school's history. This achievement stemmed from the outstanding efforts of Ellen Butcher, Jean Gallagher, and Tracy Schneeweis. While working with their coach Miss Morrison, Co-Captains Ellen Butcher and Nancy Covell provided the leadership. Two victories over Annandale boosted the team's confidence. As if this was not enough, the team's drive led them to a victory over Madison, who had not been defeated in three years. The future years look bright with sophomore Tracy Schneeweis and freshman Merry Berry included in the starting line up.

The Junior Varsity wrestlers were a young team this year, and as a result, encountered difficulty. Another hindrance was the fact that several underclassmen joined the Varsity ranks. A few outstanding matmen included were captain Tom Manley, Walter Sampsell, and Eric Norwood. Next year may prove to be more successful because of the experience gained this season.

This year, the 1972-1973 Varsity Wrestling Team had many things to remember. Although a winning record wasn't set, many records were made. Co-captain George Kult and Moe Haislip were undefeated in their weight classes, during the dual meets. An eight and three record was set by Co-captain Jim Perkins. Junior Moe Haislip became Regional Champion and State Runner-up. Senior George Kult and Junior Kevin Reilly were both District Champions and second in the Regional Tournament. An abundance of underclass talent makes next year look very promising for Jefferson wrestling.

First Row: George Kult, Jim Perkins. **Second Row:** Doug Ray, Greg Vaitekunas, Carl Fitz, Kevin Reilly, Eric Edgington. **Third Row:** Coach Hyman, Don Midkiff, Frank Algauer, Moe Haislip, Bryan Evans, Paul Ruffing, Coach Radford. Not Pictured: Joe Henderson, Chuck Statts.

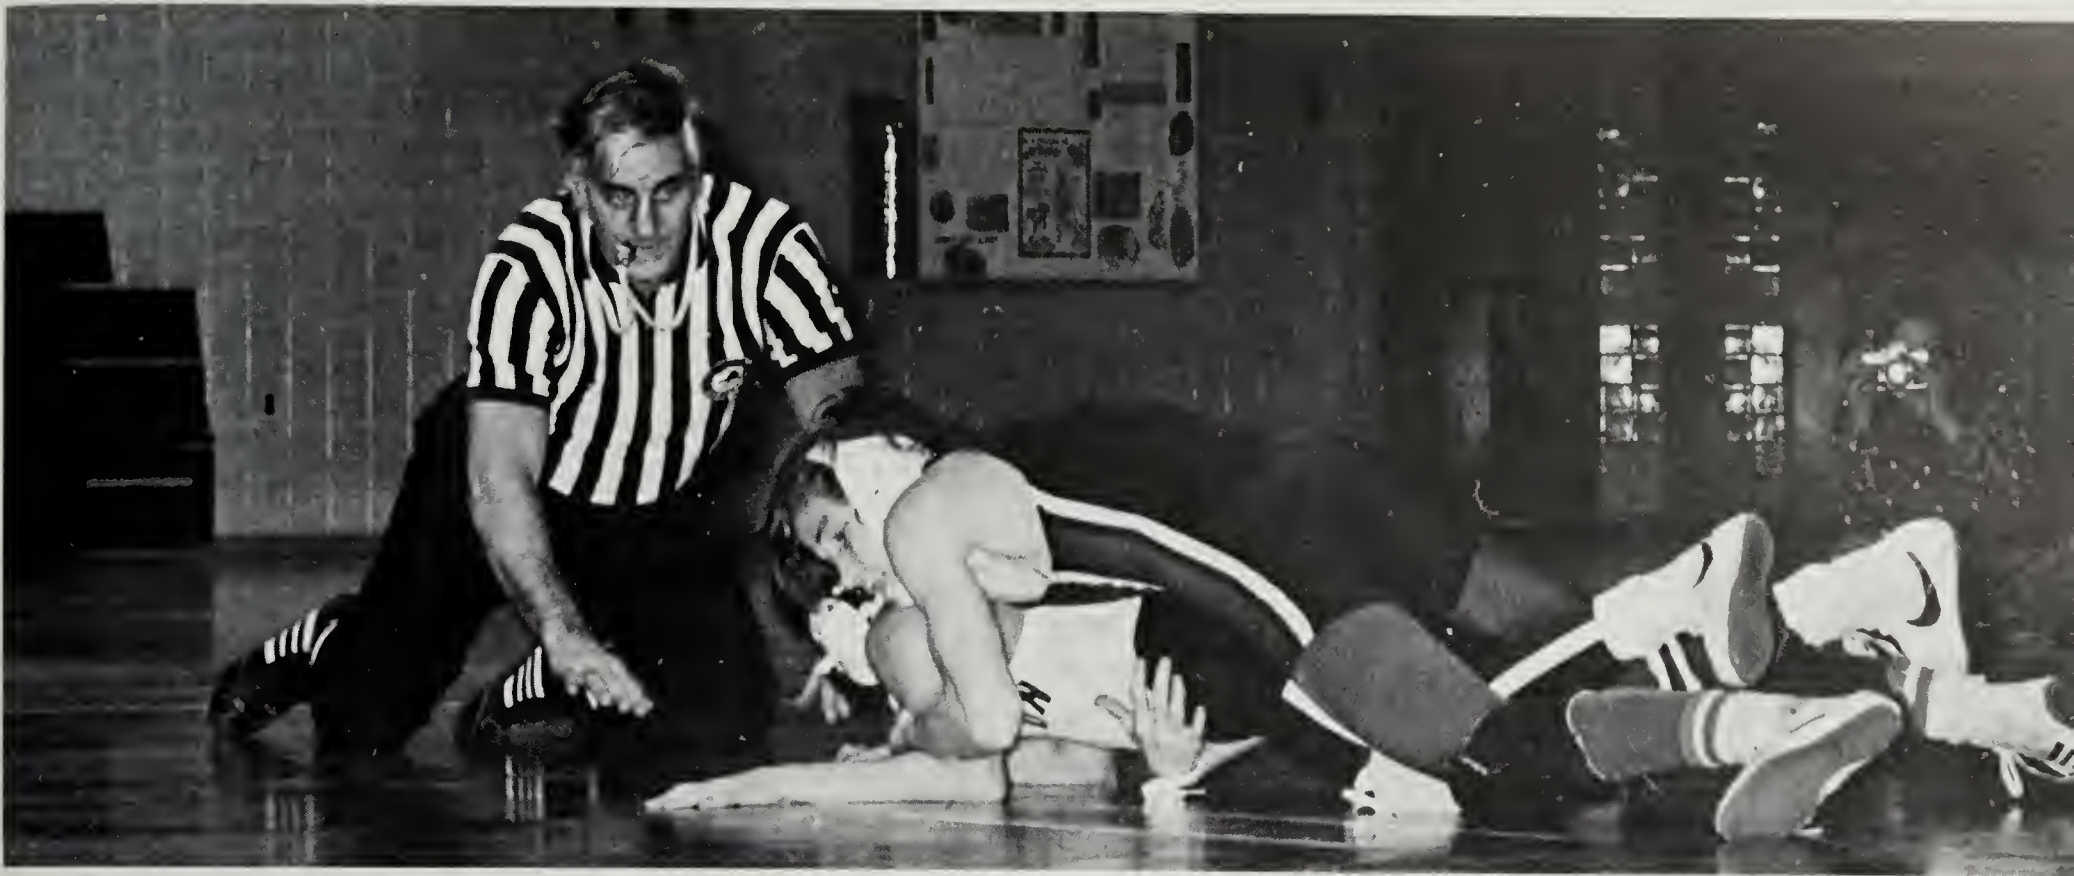

Greg Vaitekunas receives congratulations for his win.

Kevin Reilly wrestles his man back onto the mat.

"I'm agile, mobile, and hostile!"

JUNIOR STAFF, OUR THANKS AND BEST WISHES

LOVE,
SENIOR STAFF

NOTES

The first person I wish to thank is Mr. Kelleher. This is the fourth **Jeffersonian** to which you have been enslaved in the capacity of advisor. Yet, somehow, you have maintained your sanity. On this fact alone you should be praised. But being a bit more serious, I truly thank you sir. You have throughout even our thickest disputes held firmly to that which you believe. You personally taught me much about that part of reality that the classrooms don't concern themselves with. You have given valuable advice, you've restrained yourself and let us learn our own lessons, and mostly you have tried to keep my feet on the ground. For these things I thank you.

Mr. Perry and whoever is in charge of Mr. Ellis' pay — I hope you realize that you have an excellent representative in Mr. E. Ellis — you don't play football very well, but you are the best teacher. Oh yes, we still owe you \$10 from the beach trip. Thanks again.

Mr. Jackson — we of the 1973 **Jeffersonian** staff are grateful for your patience and good humor in putting up with us. Mrs. Button — how do you do it? Not only are you willing to put up with us but you even take an interest in us as people. Thank you. Mr. Clark, thanks. You have done more than you can realize. Hope you can use the interview. Miss Lange and Miss Souder and all the other teachers who allowed students out of their classes for yearbook work — we are in your debt. For Miss Stegall and Miss Lange, these are only words but, thank you for your understanding and help.

People — I don't know where to start in with my thank you's for the staff.

Bill — I never did learn to skate, but we did get a great deal else done. If you ever need a companion to go insane with, just call on me. Keep on writing and saving.

Turkey Tom — thanks for showing me what real photo quality is, and for letting me use your darkroom to ruin good pictures. Thanks for blessing us with your creativity and for the good times. You are great and I am glad I was able to tap a little of that greatness.

Dino — sleepless weeks, heated tempers, constant complaints, yet somehow you made it longer than any of the others. Truly you are one of the most dedicated staffers ever to be born.

Stove Brahand, Esq. and Francis. I never did get a ladder for your section that was complete. I didn't know about the "Get High on Sports" thing until I saw it. Well, seeing is believing.

Salice and Ally. At least at this writing you have been able to refrain from breaking my neck. For that I am truly grateful. I hope you have learned much from doing your section this year. You really can do so much more than you believe. Just try. Please!

Polly, Loralyn, and John. You all scared me at times when we didn't get the darkroom work done, and at other times amazed me at the speeds at which it was all done.

Jana — I don't think we did you right this year and I hope you will forgive us.

Larry — "When you're hot you're hot. When you're not you're not." Thanks for working us into your busy schedule.

Carol. The cutest girl in the school sits home! Why? She has . . . No offense to Tom or anyone else but I think the fac. & adm. section is so much better this year than before. You've done an excellent job after being messed up by that foolish rule.

Maryse — when are we going to steal the funds and buy the Fiat?

Janet — thanks for the mallet, and always having a pen to loan.

Karin — you have my vote for the person who learned the most about yearbook work in one sitting. Your's is a job well done.

Chuck — to me you are staff. Staff means a lot more than the people putting out the book, and you are part of that 'lot more'. You are unique, and world isn't ready. Hope you like your color page.

Dottie — beach pictures, refrigerators, Pincrest hill waiting for football games (at midnight), record player, "Philanderer", all nighters before deadlines, three deadlines instead of one, a gift for the Junior Staff (fought for and won, and maybe lost), are a few things this year has to remind us of times shared.

Anne — there's too much to say. Darkroom tales, dashed loves, picking up the morning newspaper as I leave for the night, the beach, "drowning sorrows together", (take it as you will Bill), V.W. mania, R.F.'s, experiments (50% gray?), A.E. in 100 pt. type in 0% screen on each page. Any improvements of the book this year must be accredited to yourself. Thanks for everything.

Sweet Deb, I hope the little I have taught you will serve you well. Keep smiling. I have faith in you.

David and Anita — I believe that you (in your shared position this year) must have learned more than you bargained for. You are both outstanding and I was lucky to have you this year.

Kathy — you have done more work on the book than I have, at least that is how it seems. "You are aware of people's needs and try to fill them. That is one of the reasons I care for you so," — remember the back massage? Here is that quotable quote I wanted to tell you that time: Be silent when emotional turmoil. Sing, write, cry — but don't speak. That was it. For you — my thanks and my love.

To all the Juniors — thank you. You have been kind and loyal. Just try to beat this book! But from what I have seen, I'm afraid you might. Good luck and good-bye.

A personal thanks to E.M.S. for support my Junior year and the first part of this year, and to mom and dad and my Father.

Thanks and good-bye,

Steve Hay
